5. Home Page

The screenshot shows a web browser window titled "Food Ordering App" with the URL "127.0.0.1:5500/index.html". The main content area is titled "Our Menu" and features a grid of four items per row. The first row contains "Paneer Butter Masala" (₹180), "Masala Dosa" (₹90), "Samosa" (₹20), and "Cheese Burger" (₹150). The second row contains a pizza, a plate of fries, and a can of Coca-Cola. Below the grid is a weather widget showing "33°C Mostly clear". The bottom of the screen shows a Windows taskbar with various icons and the date "25-09-2025".

Item	Price
Paneer Butter Masala	₹180
Masala Dosa	₹90
Samosa	₹20
Cheese Burger	₹150

6. Filtering Data : Indian Food

The screenshot shows the same web browser window as the previous one, but the "Indian" tab in the menu bar is highlighted. The "Our Menu" section now displays only Indian food items: "Paneer Butter Masala" (₹180), "Masala Dosa" (₹90), and "Samosa" (₹20). The other items from the previous screenshot are no longer visible. The bottom of the screen shows a Windows taskbar with various icons and the date "25-09-2025".

Item	Price
Paneer Butter Masala	₹180
Masala Dosa	₹90
Samosa	₹20

7. Filtering Data : Fast Food

The screenshot shows a web browser window titled "Food Ordering App". The menu is filtered to show "Fast Food". Three items are displayed:

- Cheese Burger: ₹150, Add to Cart (0)
- Veg Pizza: ₹250, Add to Cart (0)
- French Fries: ₹100, Add to Cart (0)

The browser's taskbar at the bottom shows various pinned icons and the date/time: 25-09-2025.

8. Filtering Data : Beverages

The screenshot shows a web browser window titled "Food Ordering App". The menu is filtered to show "Beverages". One item is displayed:

- Coca Cola: ₹50, Add to Cart (0)

The browser's taskbar at the bottom shows various pinned icons and the date/time: 25-09-2025.

9. Adding Food Items to Cart

The screenshot shows the 'Food Ordering App' index.html page. At the top, there's a navigation bar with links like 'ION mTOP', 'Self Service', 'Render Dashboard', 'Write your first cod...', 'Dashboard | Learnin...', 'gtathelegend (Veda...)', 'Create and run sim...', 'Build web apps with...', and 'Career Essentials in...'. Below the navigation is a header 'Food Ordering App' with a 'Logout' button and a notification badge showing '7'. The main content area is titled 'Our Menu' and features four food items in a grid:

- Paneer Butter Masala** (₹180) with an **Add to Cart** button showing 0.
- Masala Dosa** (₹90) with an **Add to Cart** button showing 2.
- Samosa** (₹20) with an **Add to Cart** button showing 1.
- Cheese Burger** (₹150) with an **Add to Cart** button showing 1.

Below the grid are images of a pizza, a plate of fries, and a Coca-Cola can. The bottom of the screen shows a Windows taskbar with icons for various applications and the date/time: 25-09-2025.

10. Cart Page

The screenshot shows the 'Food Ordering App' index.html page with a 'Your Cart' section. The cart contains the following items:

- Samosa - ₹20
- Cheese Burger - ₹150
- French Fries - ₹100
- Coca Cola - ₹50
- Coca Cola - ₹50
- Masala Dosa - ₹90
- Masala Dosa - ₹90

Next to each item is a red **Remove** button. At the bottom left is a 'Back to Food' button, and at the bottom right is a large orange **Proceed to Checkout** button. The bottom of the screen shows a Windows taskbar with icons for various applications and the date/time: 25-09-2025.

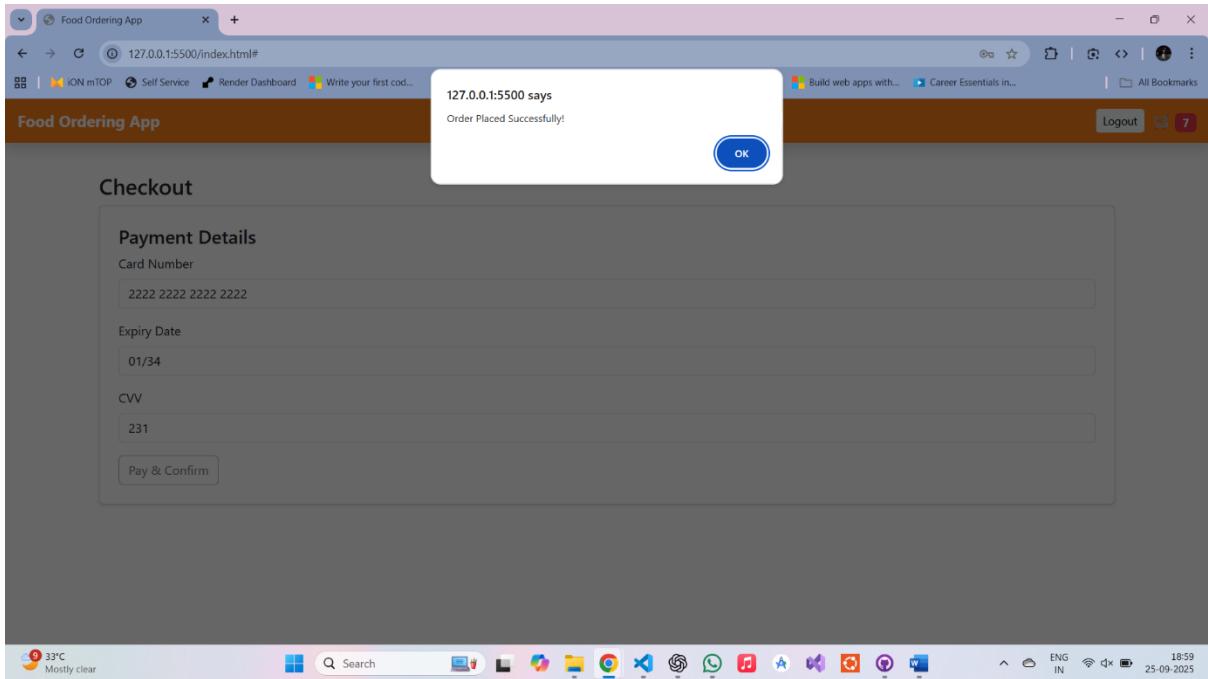

11. Checkout Page : Address and Phone Number Input from User

The screenshot shows a web browser window titled "Food Ordering App" with the URL "127.0.0.1:5500/index.html#". The main content area is titled "Checkout" and contains a "Address & Contact" section. It includes two input fields: one for address ("P-901, The Edge Towers, Ramapratha City, Sector 37-D, Near Dwarka Expressway") and one for phone number ("08750098715"). Below these fields is an orange "Next" button. At the top of the browser window, there are several tabs and icons, and at the bottom, a taskbar with various application icons and system status indicators.

12. Getting Payment Information (Dummy Card Details)

The screenshot shows a web browser window titled "Food Ordering App" with the URL "127.0.0.1:5500/index.html#". The main content area is titled "Checkout" and contains a "Payment Details" section. It includes three input fields: "Card Number" (containing "2222 2222 2222 2222"), "Expiry Date" (containing "01/34"), and "CVV" (containing "231"). Below these fields is an orange "Pay & Confirm" button. At the top of the browser window, there are several tabs and icons, and at the bottom, a taskbar with various application icons and system status indicators.
